Message from the President of CCR – Gary Butler

Greetings,

The Holidays have come and gone. A new year awaits and brings with it the promise of new adventures in our Corvettes; America's Sports Car. We first must get through all that Ole Man Winter has in store. Spring hopes eternal and it's only 2 months to the Vernal Equinox.

Looking back on 2023, there are many thanks to be noted; to Paul Murman for his leadership as President, John Rhodes – Events Coordinator and Mel Rice – Zip Liaison. Special thanks to Penny Johnson for chairing the Christmas Party and all the volunteers too! It was a special night with great food and fellowship. Thanks to Lucy Lindsey for arranging the use of Oak Lawn. To top off the night, Santa Clause and his special helper made an appearance and brightened up the evening. Thanks to Glenn Crider for the awesome CCR Christmas Ornaments.

Our club is the best Corvette Club in the World! It is because of all of you. Together in 2024 we will have fun, fellowship, enjoy events, cruises for vittles and Vettes and tackle any challenges that may arise. One current challenge is the open position of Events Coordinator. I am certain there is someone willing to share their talents with the club.

Our first meeting in 2024 is January 12th, 7:30PM at Twin Hickory Building, 5326 Twin Hickory Rd, Glen Allen, VA 23059. I look forward to seeing you all there.

Corvettes are for driving, and I look forward to fun on the road with my best gal Cindy.

Member's Chat A Corvette Story

As Told By Lori Dolan

What Generation year Corvette(s) do you have? 2021 C8 (and David's 2014 C7 Velocity Yellow Coupe)

Is there a story you will share with us as to why you bought this and love this car?

Technically this is MY car because we sold my C7 convertible to get this C8 convertible, but Dave was the big driving force behind this purchase. We were on the waitlist for 10 months for this baby and it was driving us crazy! Finally the call came and we could pick her up. Big problem. I was in the hospital. Like a nut, I begged my doctors to let me leave to pick her up—promising to return as soon as we signed the papers. Well, unlike prison work-release programs, the docs wouldn't go for the idea. Dave went alone and my name wouldn't be on the title (*we've fixed that!*). My first ride in her was when the hospital released me. *Niiiiice!* The next day was CCR's big 60+1 Celebration and we had to miss it. Bummer! We had already "modified" our event t-shirt by coloring in the C8 and we didn't get to show it **OR** the car off! (*BOTH are pictured below!*)

Do you have a special name for your Corvette? I was at Food Lion putting groceries in my car when a young guy came up to admire her. He asked if I had named her yet and he said she was "**The Beast**." The name stuck.

Color –Accelerate Yellow

Looks – can't stop looking at it. Agree!

Have you Tried other cars? Oh sure. This is our 11th Vette but our 1st sports car was an Austin Healy Sprite and we sold our '77 Smokey & the Bandit Trans Am so Dave could get his 1st Vette.

Share a tip with the group that you have found interesting

about the Corvette. Dave's tip is that you can put the top down on a C8 using your key fob. **My tip** is to keep Chap Stick handy—driving her makes you SMILE and too much smiling can rip your lips!!
